

# GAMING INSURRECTION

FOR GAMERS BY GAMERS

## BUYER'S GUIDE

# from the editor

**Lyndsey M. Mosley**  
Gaming Insurrection editor

**W**elcome to our Buyer's Guide for the First Quarter 2010.

The following pages contain current prices that you, as a gamer, should expect to pay for a beloved treasure on some of the hottest retro systems.

Gaming Insurrection's editors sat down and discussed what games make the cut as must-haves, and those listed here live up to that standard.

We invite you to print this guide out and keep it handy. Be prepared for any deals that may come your way!

## READING OUR GUIDE

Gaming Insurrection has used online price guide Digitpress.com, Playasia.com and NCSX.com to compile the price statistics used in this guide.

### Digital Press online rarity: What the numbers mean

- 0 = Never released/no information
- 1-3 = Easily found; common
- 4-6 = Searching needed; borderline rare
- 7-8 = Findable but very uncommon
- 9 = Rare; be prepared to spend
- 10 = One of a kind; extremely rare

### Loose or Complete?

Loose refers to the lack of manual and box, while Complete means everything is packaged. Denoted by an L or C.
